ProTech – Heavy Duty Economy Detergent

Description:

ProTech Heavy Duty Economy Detergent is a low foaming, all purpose alkaline cleaner that quickly breaks down and removes oils, grease and dirt from all types of hard surfaces and flooring.

Note: When used on alkali sensitive metals such as galvanized or aluminum, monitor contact time and concentration to avoid potential damage. A clean water rinse is also required to remove any product residue.

Features:

- All-Purpose Cleaner
- Heavy-duty
- Economical
- Low-foam
- Environmentally safe

Benefits:

- Can be used effectively on a wide range of hard surfaces.
- Has powerful cleaning action on many tough soils, grease and oils.
- Concentrated formula can be diluted 10-80:1 for low cost in use.
- Low foam formula at all temperatures in use.
- Dye and fragrance free. All components of this product are biodegradable.

Technical Data:

Physical Form – Clear liquid
Color – Light yellow to amber
Odor – Slight
pH(Conc.) – 12-14
Mix Ratio – 10-80:1

Specific Gravity – 1.028 +/- 0.050
% Active – 11-12%
% VOC - > 1% (Non-HAPS)
Shelf Life – 2 years minimum

Packaging:

ProTech # DHDE 1004 (4 Litres)
ProTech # DHDE 1020 (20 Litres)
ProTech # DHDE 10205 (205 Litres)
